

AN ADDRESS PRESENTED BY DR THOMAS N. NDIFIEMBU ON THE OCCASSION OF PRESENTATION OF GIFTS BY ASHIA-CH TO THE CATHOLIC HEALTH CENTRE MAYO DARLE THIS 3rd DAY OF JANUARY 2010.

The Representatives of ASHIA-CH.

The Counselor For Health For the TSSF.

The Matron of the Health Centre.

Fellow staff.

Good morning. I am delighted to be given the pride of place to speak on behalf of staff of the Catholic Health Centre Mayo-Darke at this important occasion of donation of gifts to the Health Centre. On behalf of staff and myself, I welcome you to Mayo Darke.

Katja and Felix Bouhin, your trip from Europe to Cameroon and further to Mayo Darke has been a tedious one especially given the nature of our roads. It is because of your zeal to serve mankind that you made it an obligation to visit us and to offer us these gifts. We are privileged and happy to be with you today and warmly welcome you to Mayo Darke.

We express our sincere gratitude for our gifts and ask God to be with you in the Execution of your humanitarian Services.

The activities of this Health Centre is of high demand here as it stands as the only medicalised Health unit in Mayo Danbe Sub-Division. Your continuous support to the Health centre is directly enjoyed by the entire Sub-Division. We thank you for always remembering the Mayo Danbe population through us. The impact of your philanthropic activities in the field of Health and education is felt and accepted in the ~~the~~ whole of Mayo Danbe.

The family of the twin children (Cassara and Ousseni), who both received bilateral tibial osteotomies at the Catholic Hospital Njinikom worth over 500,000 CFA through your support will never forget you. Other numerous children of poor families have received help here from you in one way or the other in the field of Health and education. The pupils of the Catholic primary & Nursery School have always been colourful and exemplary in this Sub Division through your numerous support.

Your contribution to the construction of our Magnificent Mini theatre cannot be minimized and is prove of your continuous concern to raise the Health Standard of this impoverished population.

To say the Least you are Mayo-Darte's dream come true; a complete hope to the hopeless. We thank you immensely from the bottom of our hearts for all that you have done for us. We see through your continuous assistance that you have answered our call to make Mayo Darte Health Centre one of ~~your~~ the pilote centres For your activities in Cameroon. We promise on our part to always use these gifts judiciously to the best interest of the population.

Once more you are welcome to this community and our Health centre. We wish you → a happy and prosperous new year 2010 and a safe journey back to your country Switzerland

Thank you.

For the Staff,
Dr. Thomas N. Ndifredu
